Friday night will be casual and just be a good time to visit and catch up with everyone. The food is just because it's what we do!!!

Saturday night is Sunday dress, and we all want to be darling!

Sunday is church dress.

A few house-keeping things for the team information. We are having a web-site built, so that when you move or you change e-mail or phone numbers you can go one (1) place and update your information and we can get in touch with you. I have a list with the most “updated” information we have. I am sending you a copy of that list so you can:

1. Check your information and let me know of any corrections that need to be made.
2. Check the names where there is no information and see if you know anything about that person, so we can get in touch with them.

We are trying to get as many of the team members information as we can, so that when we have events like this one everyone will know about it!

If you have pictures or something you want on the web-site, bring it with you.

If you have any information on a player, manager, coach, cheerleader please let us know as soon as possible. We want to make sure every team member gets recognized at the banquet.

Thank you for helping keep our **Team** together!!
I'm looking forward to a FUN time, hope to see you soon!

Please remember to get back with me as soon as possible.
